STEP INTO OUR COLLEGES

Unique College System 獨特的書院制度

CUHK is the only university in Hong Kong that offers a collegiate system. At CUHK, every full-time undergraduate student is not only a member of the University, but also a member of one of our nine Colleges. Each College offers a unique community that supports students' whole-person development through a wide range of academic, cultural, and social activities. Colleges also provide their own hostels, dining halls, and other facilities to enrich campus life.

中大是全港唯一設有書院制度的大學。在中大，所有全日制本科生不僅是大學的一分子，同時亦會被編配至九所書院之一。書院為學生提供多元化的學習、文化及社交活動，致力培育學生的全人發展。書院亦設有宿舍、飯堂及其他設施，豐富學生的校園生活。

How to choose a College at CUHK? 如何選擇入屬中大哪一間書院？

Students admitted through JUPAS will be invited to indicate their College preferences after the release of the JUPAS offer results. The assignment of College affiliation takes into account various factors, such as student preferences, academic diversity, and available capacity.

Choosing a College is like picking a home for the university journey. Each College has its own vibe, traditions, and facilities. Before completing the College preference form, it is worthwhile to explore what each College offers — including its culture, activities, general education curriculum, academic support, scholarships, exchange programmes, and residential and communal dining arrangements. Details are available on College websites, and student ambassadors are ready to share their experiences. Through CUHK's unique College system, students form close friendships, build supportive communities, and enjoy a rich and fulfilling university life.

透過聯招入讀中大的新生可根據自己意願填寫書院選擇表。大學在編配新生入屬不同書院時，會考慮同學的書院選序、書院學科多樣性及書院名額等。

選擇入屬哪一間書院就像挑選大學生活的「家」— 中大的各間書院有各自的文化特色、設施和氛圍。在填寫書院選擇表之前，同學不妨多留意各間書院的文化與活動、通識課程與學術要求、獎學金及海外交流機會、住宿安排或共膳制度等。同學亦可以瀏覽各書院網頁並與我們的學生大使交流，了解中大學生如何透過獨特的書院制度建立同儕間深厚的友誼，營造互助的書院社群並豐富他們的大學生活。

Bachelor of Medicine and Bachelor of Surgery (MBChB) Year 5
內外全科醫學課程 5 年級

I hope to become a doctor, serve as a medical educator, and conduct research that alleviates pain for chronically ill patients.
Studying foreign language at CUHK began as a spark of curiosity and became one of the most life-changing experiences of my university journey. It strengthened my linguistic abilities, connected me with classmates from diverse majors, broadened my horizons through overseas institute visits, and even led me to present at a medical conference in Japanese. These experiences enriched my cultural competence and prepared me for a global career in medicine.

我立志成為一名醫生，同時投身醫學教育，並研究新技術以減輕慢性病患者的痛苦。
在中大選修外語，我認識了來自不同學科的好友，拓闊了國際視野，並有機會到海外合作院校交流。副修日語後，我更於日本以日語發表醫學研究成果。

Bachelor of Laws (LLB) Year 3
法學士 3 年級

I aspire to become a criminal barrister to uphold the rule of law of Hong Kong, I am also trying to complete my minor in French.
Trekking to the Annapurna Base Camp is by far the most meaningful thing I have done in university because it makes me realise I have a passion for high-altitude trekking and mountaineering. The gorgeous natural scenery that I saw while trekking in the Himalayas forever left a mark on my mind. The friendship and camaraderie from the trip also make the expedition meaningful, as I learnt during the trip to always look out for my fellow teammates, a lesson which I still remember vividly.

我想成為一名刑事大律師，維護香港法治和公義。我亦正在副修法語。
參與善衡書院的探索小隊遠赴尼泊爾的安娜普納基地徒步是我在大學裡做過最有意義的事情，因為它讓我意識到自己對徒步和登山充滿熱情。在喜馬拉雅山脈徒步時所看到的絕美自然風光，在我腦海中留下了永恆的印記。這次旅程中的友誼也讓這項探險變得無比珍貴，我在旅途中學會了要時刻關照同行夥伴，這一課至今仍歷歷在目。
